

HOW TO CHOOSE THE CORRECT LENGTH OF YOUR PUTTER

1 You want to choose the standard length, quite simply...

Choose the theoretical length of your putter according to your height:

2 You want to use the figures of your ex-putter...

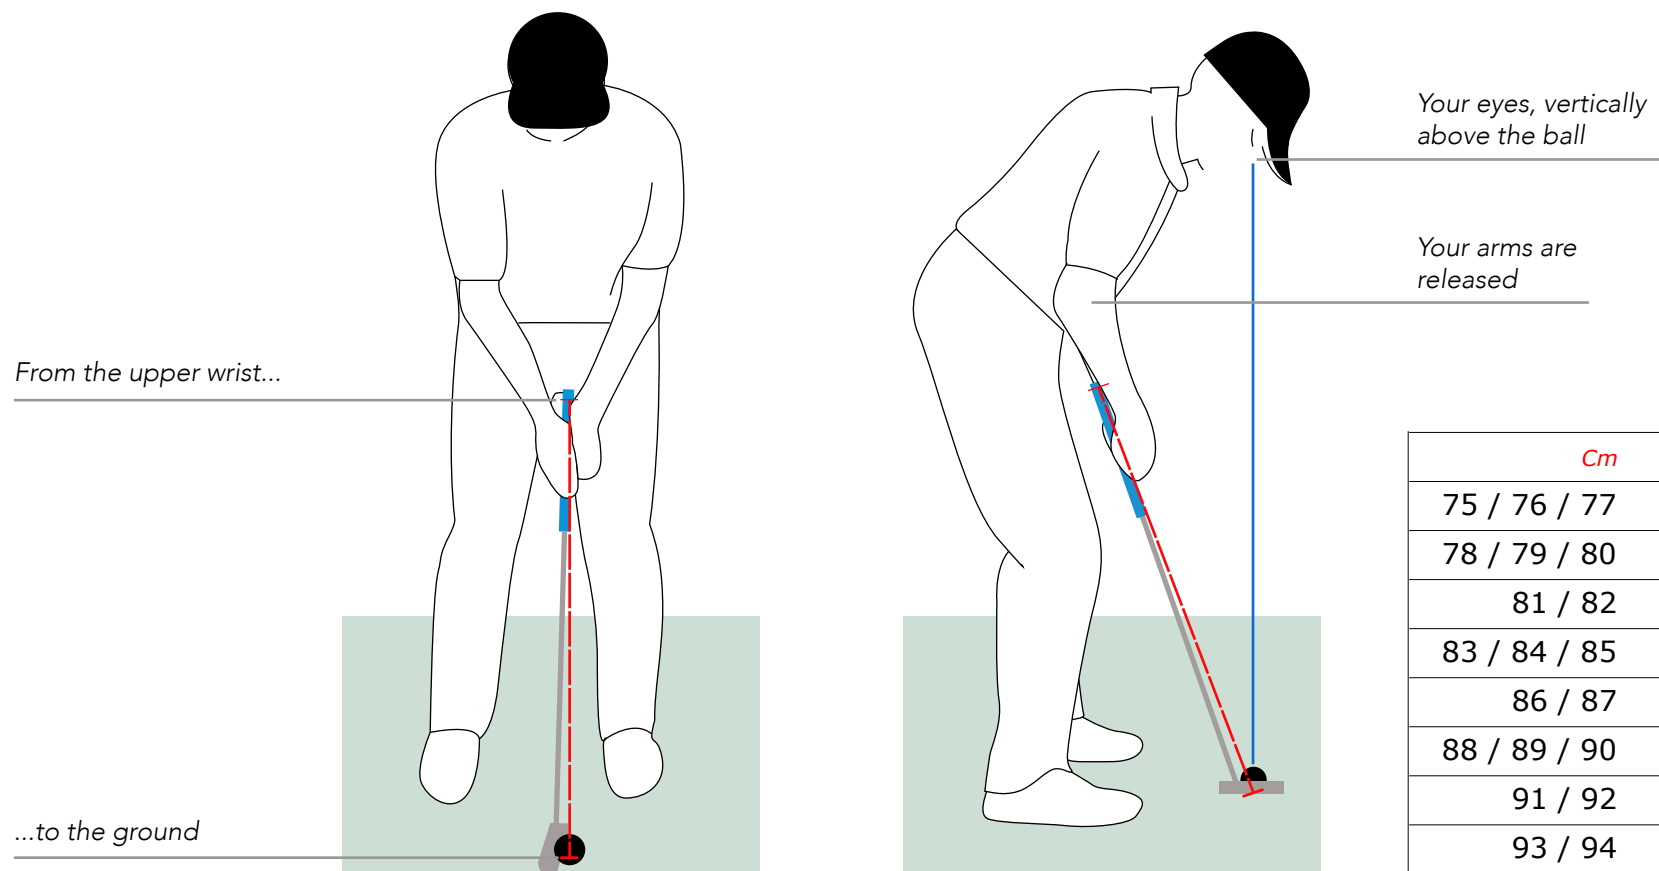

Take a meter and measure it:

Cm	Inches
≤ 80,0	31"
≥ 80,1 ≤ 82,9	32"
≥ 83,0 ≤ 85,5	33"
≥ 85,6 ≤ 87,9	34"
≥ 88,0 ≤ 90,5	35"
≥ 90,6 ≤ 92,0	36"
≥ 92,1	37"

3 You want to fit your new putter length to your putting posture...

Take a meter and measure the length between your upper hand and the ground when you are in the perfect, most comfortable position at address:

Cm	Inches
75 / 76 / 77	30"
78 / 79 / 80	31"
81 / 82	32"
83 / 84 / 85	33"
86 / 87	34"
88 / 89 / 90	35"
91 / 92	36"
93 / 94	37"
